About the Band

The Sheldon Theatre Brass Band was founded in 1989 in the form and tradition of the British Brass Bands. Our members come from the Twin Cities, southeast Minnesota and western Wisconsin and include many current and retired music educators. Over the years, we have performed at national competitions, festivals, schools, churches, and parks, as well as our regular concerts at the Sheldon Theatre in Red Wing, Minnesota. We played at MMEA in 1991, 1999 and 2018, and WMEA (Wisconsin Music Educators Association) in 2000. We have recorded 4 compact discs which are available, along with more information on our members and performances, on our website, www.sheldonthatrebrassband.org.
